

Galesburg Athletic Booster Club

About Us:

The Galesburg Athletic Booster Club (GABC) is a group of volunteers consisting of parents, students, coaches, teachers, grandparents, alumni, and friends who support our student athletes.

With the lack of State funding, the GABC is working hard to assure that all athletic programs continue to operate at a level that will most benefit the students of our school district. The GHS athletic budget is \$21,000 for all sports! The last 7 years, the GABC has stepped up and supplemented this budget with an additional \$15,000 per year. The GABC also funds other athletic projects and fulfills special requests from coaches throughout the year.
